### NOTES

Two different categories of walk will be offered each week.

1. A Big Walk, with a fast and a not-so-fast group where appropriate, which will usually involve walking for three or four hours and may include rough or mountainous terrain.

2. A Shorter Walk at a gentler pace - sometimes in the same general area at the Big Walk but not so strenuous.

National Trust members - please bring your membership card to NT properties e.g. Castle Ward

Car drivers are encouraged to purchase a forest pass at Tollymore, Castlewellan or Gosford.

At Loughgall, Silent Valley and other places where you pay for entry please wait at gate for better rate.

Are you willing to help the group and become a minibus driver? Training offered. Talk to one of the leaders.
